SPEND XMAS IN THE GUTTER

Forget everything you thought you knew about bowling alleys, because Lane7 is different. Really different.

Imagine the best bar you've ever been to and then add ten-pin glow in the dark bowling, beer pong, arcades, a game of darts and an unrivalled atmosphere into the mix. We're perfect for nights out with mates, for parties and even for corporate events.

All in all, it's a pretty cool concept, and you're going to love it.

Two bowling balls, one dark red and one dark blue, are shown in a close-up shot. The words 'bowling heaven' are written across them in a vibrant green, cursive script. The background is dark and out of focus, suggesting a bowling alley setting.
